Re: United States of America v. J.R. Simplot Remedial
Design/Remedial Action Consent Decree (RD/RA Consent
Decree), Civil Action No. 99-296-E-BLW, May 9, 2002

Dear Mr. Prouty:

Pursuant to Section XII, Paragraph 41 of the RD/RA Consent Decree I am writing to inform you that I will be the designated Project Coordinator representing the United States Environmental Protection Agency ("Agency" or "EPA"). Please direct all correspondence to me at 1200 Sixth Avenue, MS-121, Seattle, WA, 98101. I can be reached at (206)553-6636. The Alternate Project Coordinator is David Croxton. He can be reached at (206)553-6694.

Since the EPA is working closely with both the State of Idaho and the Shoshone-Bannock Tribes in review of Consent Decree deliverables and in order to ensure timely reviews of these documents by all parties, EPA is requesting that you submit one copy of all deliverables to both the Shoshone-Bannock Tribes and the Idaho Department of Health and Welfare at the addresses below:

Ms. Susan Hanson
RCRA/CERCLA Program Manager
Shoshone-Bannock Tribes
Fort Hall Indian Reservation
Fort Hall, Idaho 83203

and

Mr. Douglas Tanner
Idaho Department of Health and Welfare
224 South Arthur
Pocatello, Idaho 83204-3202

The alternative to your supplying deliverables directly to

the state and tribes will be EPA copying and forwarding them, and billing you to do so. Supplying deliverables directly should save you transaction costs and expedite remedy implementation. Thank you in advance for your cooperation with this request. If you have any questions or concerns regarding this project please contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Linda Meyer".
